

Farewell, Frank Little
By:Gerard J. Lively
Music by Jacques Offenbach

You've fought your fight.
"A long good night"
Is all that we can say.
Sleep on, sleep on,
Your work is done,
Brave fighter for the Day.
Kind Mother Earth,
Who gave you birth,
Receives you to her breast.
For us, the Fight;
For you, the night,
The night of well-earned rest.
No more you'll feel the cling of steel;
You've burst the prison bars.
You gave your life in this our strife,
Brave conqueror of stars.
You've fought your fight.
"A long good night"
Is all that we can say.
Sleep on, sleep on,
Your work is done,
Sleep on, sleep on, sleep on.
