

## Liberty Forever

By: Joe Hill

Music by Giuseppe Verdi

We broke the yoke of a pitiless class,  
And we burst asunder our bonds and chains.  
Our organization will win whene're it strikes,  
And no more shall a King or Crown remain.  
United fast are we with bonds that none can sever;  
Long, loud, and clear and far our battle cry rings ever.  
Liberty for aye and aye! Liberty forever! Liberty forever!  
Shall be our battle cry!
