

Sleep Eye

By:Woody Guthrie

Go to sleep, go to sleep,
Go to sleepy little sleep-eye.
Go to sleep, go to sleep,
Go to sleepy little sleep-eye.

Closie eye, closie eye,
Closie eye, my little sugar;
One eye closed and two eyes closed;
Go to sleepy, little sleep-eye.

Go to sleep, go to sleep,
Go to sleepy little sleep-eye.
Go to sleep, go to sleep,
Go to sleepy little sleep-eye.

Eyesie close, eyesie close,
Eyesie closed, my little sugar;
One hand asleep and two hands asleep;
Go to sleepy, little sleep-eye.

Go to sleep, go to sleep,
Go to sleepy little sleep-eye.
Go to sleep, go to sleep,
Go to sleepy little sleep-eye.

Dream a dream, dream a dream,
Dream a dream, my little sweeter;
Big dream, little dream, gotta go dream;
Go to sleepy, little sleep-eye.

Go to sleep, go to sleep,
Go to sleepy little sleep-eye.
Go to sleep, go to sleep,
Go to sleepy little sleep-eye.

Sleep, sleep, sleep, sleep,
Sleepy, sleepy, little sleep-eye;
Sleep, sleep, sleep, sleep, sleep, sleep, sleep,
Sleepy, sleepy, little sleep-eye.
