

The Little Red Hen Song

By:Kate Bradford Stockton

Music by Elizabeth Morgan

Come be jolly, jolly, jolly,
For it's folly, folly, folly,
And only makes life harder to complain:
The world is full of beauty,
And co-ops lighten duty,
Like sunshine weaving rainbows in the rain.
Brek-a-keck-keck, co-ops, co-ops!
Brek-a-keck-keck, co-ops!
We'll sing and we'll dance with hippity hops,
Hurrah for co-operation!

Come be jolly, jolly, jolly,
For it's folly, folly, folly,
And only makes life harder to complain:
The world is full of beauty,
And co-ops lighten duty,
Like sunshine weaving rainbows in the rain.
Brek-a-keck-keck, co-ops, co-ops!
Brek-a-keck-keck, co-ops!
We'll sing and we'll dance with hippity hops,
Hurrah for co-operation!
