

The More We Work Together

By:Ella Jenkins

The more we get together, together, together,
The more we get together, the happier we'll be.
For your friends are my friends, and my friends are your friends.
The more we get together, the happier we'll be.

The more we work together, together, together,
The more we work together, the stronger we'll be.
For your friends are my friends, and my friends are your friends.
The more we work together, the stronger we'll be.
