

## The Road to Emancipation

By:Lone Wolf

Music by Jack Judge and Harry Williams

Now, working folk, you know you live a life of misery,  
So join the union of your class, determined to be free;  
Don't let the master gouge your lives for many years to come,  
But organize upon the job and put him on the bum.

It's the road to Emancipation; it's the right way to go  
For the toilers to run the nation and the world, both high and low;  
Kick in and do your duty for it's up to you and me;  
It's the One Big Union of the Workers that will bring prosperity.

Don't be a meek and lowly slave like lots of those you meet;  
Don't be a servile scissor-bill and lick the bosses' feet;  
Don't let them starve you off the earth; don't fear their prison cell;  
Make your laws in the union hall: the rest can go to hell.

It's the road to Emancipation; it's the right way to go  
For the toilers to run the nation and the world, both high and low;  
Kick in and do your duty for it's up to you and me;  
It's the One Big Union of the Workers that will bring prosperity.

Now, working folk, the masters, they have no more jobs to give:  
You must form the taking habit, if you ever wish to live;  
Postponing meals is suicide on the installment plan,  
So organize to get the goods and take them like we can.

It's the road to Emancipation; it's the right way to go  
For the toilers to run the nation and the world, both high and low;  
Kick in and do your duty for it's up to you and me;  
It's the One Big Union of the Workers that will bring prosperity.
