

There is Power in a Union
(KEY=G)

G C
There is power in a factory, power in the land
G D
Power in the hands of a worker
G C
But it all amounts to nothing if together we don't stand
G D G
There is power in a union

CHORUS:

G
The Union forever, defending our rights
D
Down with Scott Walker, all workers unite
G C
With our brothers and our sisters from many far off lands
G D G
There is power in a union

Now the lessons of the past were all learned with workers blood
The mistakes of the bosses we must pay for
From the cities to the farmlands to trenches full of mud
War has always been the bosses way, sir
CHORUS

Now I long for the morning that they realize
Unjust laws cannot defeat us
But who'll defend the workers who cannot organize
When the bosses send their lackies out to cheat us?
CHORUS
