By: Chumbawamba

We'll be singing
When we're winning
We'll be singing

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

Pissing the night away
Pissing the night away
He drinks a whisky drink
He drinks a vodka drink
He drinks a lager drink
He drinks a cider drink
He sings the songs that remind him of the good times
He sings the songs that remind him of the best times
Oh, Danny Boy, Danny Boy, Danny Boy

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

Pissing the night away
Pissing the night away
He drinks a whisky drink
He drinks a vodka drink
He drinks a lager drink
He drinks a cider drink
He sings the songs that remind him of the good times
He sings the songs that remind him of the best times
Don't cry for me next-door neighbor

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down

I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
I get knocked down, but I get up again
You're never gonna keep me down
