

We Are Building

By:Unknown

an African American spiritual

We are building a strong union;
We are building a strong union;
We are building a strong union:
Workers of the world.

Every new lad makes us stronger;
Every new lass makes us stronger;
Every new wean makes us stronger:
Workers of the world.

The boss, he fears all who join us;
The boss, he fears all who join us;
The boss, he fears all who join us:
Workers of the world.

We will all stand 'till we conquer;
We will all fight 'til we conquer;
We will all strike 'til we conquer:
Workers of the world.
