

Which side are you on
(KEY=Am)

Am G Am
Come all Wisconsin Workers, good news to you I'll tell
G Am
Of how the good old union is still alive and well

CHORUS:

Am G Am
Oh, which side are you on, boys, which side are you on?
Am G Am
Which side are you on, gals, which side are you on?

We fight for working families; our struggles just begun,
But we'll all stick together, till every battle's won
CHORUS

They say that in Wisconsin, there are no neutrals there
You're either with the workers, or with the Billionaires
CHORUS

Oh workers can you stand it, Oh tell me how you can?
Will you join the Koch machine, or will you lend a hand?
CHORUS

Don't believe the Govnor, don't listen to his lies
Working folks dont have a chance, unless we organize!
CHORUS
