Chou Fleur
by Ralph McTell

She said "Darling, won't you tell me what's the matter?
Won't you tell me 'bout the problem?
I hate to hear you sigh
Or see it in your eyes."

She said, "Darling, won't you tell me where the hurt lies?
Won't you tell me where the pain is?
I hate to hear you sigh
Or see it in your eyes."

She said, "Darling, don't you know the pain will pass soon?
Don't you know it'll soon be over?
I hate to hear you sigh.
Or see it in your eyes."

"Dites a moi, mon petit chou
Dites a moi, what can I do?
Je t'appel mon petit chou fleur
Chou fleur, I love you."

"Dites a moi, mon petit chou
Dites a moi, what can I do?
Je t'appel mon petit chou fleur
Chou fleur, I love you."

Chou fleur, elle m'appelle
Un petit chou fleur
Elle m'appelle un petit chou fleur
Et ca m'a fait sourire
Elle m'appelle chou fleur.
