(Reba)

(G)Every other Friday, it's (F#dim)toys and clothes and backpacks

Is (Em)everybody in? (D)OK, lets (C)go see dad

(G)Same time in the same spot, corner (F#dim)of the same old parking lot

(Em)Half the hugs and (D)kisses, there are (C)always sad

We (Am)trade a couple words and (Bm)looks and (D)kids again, every other

(G)weekend

(Kenny)

(C)Every other weekend, (Bdim)very few exceptions

(Am)I pick up the (G)love we made in (F)both my arms

It's (C)movies on the sofa, grilled (Bdim)cheese and cut the crust off

"But that's (Am)not the way mom (G)makes it daddy" (F)breaks my heart

I miss (Dm)everything I use to have with (G)her again, every other

(C)weekend

(Kenny)

But (Am)I can't tell her I (G)love her

(Reba)

I can't tell him I love him

(Kenny)

Cause there's (F)too many questions and

(Both)

(Dm)Ears in the (G)car

(Reba)

So (Am)I don't tell him I (G)miss him

(Kenny)

I don't tell her I (F)need her

(Both)

She's(He's) over me, that's (C)where we (G)are

(Kenny)

So we're as (Dm)close as (Em)we might ever (F)be again

(Both)

(G)Every other (C)weekend --- | (C) (D) |

(Reba)

(G)Every Other Saturday, (F#dim)first thing in the mornin'

I turn the (Em)TV on to (D)make the quiet (C)go away

I (G)know why, but I don't know why, we (F#dim)ever let this happen

(Em)Fallin' for for-(D)ever was a (C)big mistake

There's so much (Am)not to do, and (Bm)all day not to (D)do it in every

other (G)weekend

(Kenny)

(C)Every Other Sunday, I (Bdim)empty out my backseat

while my (Am)children hug their (G)mother in the (F)parking lot

We don't (C)touch, we don't talk much, maybe (Bdim)goodbye to each other

Then she (Am)drives away with (G)every piece of (F)heart I've got

I re-(Dm)convince myself we did the (G)right thing, every other (C)weekend

(Kenny)

So (Am)I can't tell her I (G)love her

(Reba)

I can't tell him I love him

(Kenny)
