

How Was I to Know

Intro: G C D G G C D

G C G
 My world revolved around you
 G C D G
 Every word was a promise I was hangin' on
 G C G
 Swept up inside a whirlwind
 G C D
 I just couldn't see the end till you were gone
 C D
 I thought I would fall apart
 C D
 With shattered dreams and a broken heart
 C D
 Scramblin' in the dark

Chorus:

G
 How was I to know
 That I'd be okay
 C G D
 Thought I'd lose it all when you walked away
 G
 How was I to know
 C G
 I would be this strong
 C G D
 I had what it takes all along
 G C D G G C D G

How was I to know

 G C G
 What I was so afraid of
 C D G
 Turned out to be my freedom in disguise
 C G
 Now I know what I'm made of
 C D
 Guess it just took some time to realize
 C D
 I was blind I couldn't tell
 C D
 Put too much faith in someone else
 C D
 I gave up on myself

--Repeat Chorus--
