

I'll Take Your Heart

Album:Other Songs

Reba McEntire

Movin up where you want to be
 Talking tough, that won't work with me
 It's my heart, it ain't Hollywood
 You want it baby
 Oh you got to be good

(Heyya) mm
 (Heyya) heyyy
 (Heyya) ooo
 (Hey Hey ya)

Take you up where you never been
 Tie your seat belt, oh strap yourself in
 Start a rumor, nothing to it
 Oh it's you and me baby are just the ones to do it

I don't want to be the lonely game in town
 I just want to be the only girl around
 Yeah I'm gonna take you straight to the top
 Never gonna stop
 Show you what I got

Chorus:

I'll take your heart (I'll take your heart)
 Before you know it's gone
 Leave you standing but you won't be alone
 Take your rhythm and leave you out of time
 I'll take everything and give you all of mine
 (I'll take your heart) I'll take your heart
 And you ain't gonna feel it
 Can't do nothing babe
 You know I'm gonna steal it

And I'll take your heart
 Before you know it's gone
 (Heyya, Heyya, Heyya, Hey Hey Heyya)

Lady luck just be good to me
 Send me love special delivery
 Ain't in a movie, I ain't on TV
 I'm a living, loving breathing leading kind of lady
 I don't want to be alone at the end of the phone
 I just want to be the one that turns you on

Yeah I'm gonna take you straight to the top
 Never gonna stop
 Show you what I got

Repeat Chorus

Some girls will cut you like a knife
 Some girls will even stay the night
 But this girl is gonna stay for life
 Ya know it's right

(Heyya) mm
 (Heyya) heyy
 (Heyya) oo
 (Hey Hey ya)

Repeat Chorus twice as song fade
