

No Such Thing

Album:What Am I Gonna Do About You

Reba McEntire

Well there's news flying 'round
On the nosy side of town
That I have gone and found somebody new
Well there ought to be a law
Against the way some people talk
I guess sometimes it's all they've got to do

Oh there ain't no such thing
As me not loving you
Honey there ain't no such thing
As me not being true
So believe your heart and not your ears
'Cause Your heart knows what is true
No there ain't no such thing
As me not loving you

Well a love like yours and mine
Has got to deal with the jealous kind
But I don't mind there's nothing I can do
Cause their words can do no harm
With you here in my arms
So they can talk until they all turn blue

Well there ain't no such thing
As me not loving you
Honey there ain't no such thing
As me not being true
So believe your heart and not your ears
'Cause your heart knows what is true
No there ain't no such thing
As me not loving you
There ain't no such thing as me not loving you
