I (D)always knew this (A/C#)day would come  
 The (Bm)world is just too (A/C#)small to keep our (D)paths from crossin'  
 (A/C#) Here we are just (Bm)look at us (A/C#)

I (D)always wondered (A/C#)what I'd say  
 Would (Bm)I tell you that (A/C#)life is great and  
 (D) Gettin' better (A/C#)all the time, really (Bm) lookin' up (A/C#)

(Bridge)

(Bm) Would I be too proud to (G)show my heart?  
 (Bm) Well, to tell the truth, it's (G)not that hard | (D) ---

(Chorus)

I'm still not (D)over you (A/C#) and (Bm) still the only (A)thing I (G)  
 wanna do  
 Is open up my arms (Bm) and reach for you  
 And to (F#)hear you say you (G) want me too

You're the (D)one for me (A/C#) (Bm) and time does-(A)n't seem (G) to  
 disagree

Baby, I'm still not (Bm) over you gettin' (F#)over me  
 I guess I'll (G) never be (D)over you (A/C#) | (Bm) (A/C#) |

(Verse 2)

(D) So there it is I (A/C#)said it now, (Bm)God, I wish some-(A/C#)way,  
 somehow  
 (D) Look at me with those (A/C#) big blue eyes and (Bm)say you miss me too  
 (A/C#)

(Bridge 1)

(Bm) But you moved on, I (G) understand  
 (Bm) Yeah, I tried that too, (G) but here I am

(Chorus)

I'm still not (D)over you (A/C#) (Bm) and still the only (A)thing I (G)  
 wanna do  
 Is open up my arms (Bm) and reach for you  
 And to (F#)hear you say you (G) want me too

You're the (D)one for me, (A/C#) (Bm) and time doesn't (A)seem (G) to  
 disagree

Baby, I'm still not (Bm) over you gettin' (F#)over me  
 I guess I'll (G) never be

(Tag)

(A)Strong enough to finally set you (G) free  
 (A)I know love will never let me (G) be (D)over you (A/C#) | (Bm) (A/C#)  
 I'm still not (D) over (A/C#)you | (Bm) (A/C#) | (D) (A/C#) | (Bm) (A) -----
