

Please Be The One  
Album:Other Songs  
Reba McEntire

This desert lies  
It's so unfair  
I think there's water everywhere  
I'm always fooled  
Just when I think I'm saved

But I don't have the strength  
To do again  
What always comes undone  
Deliver me  
Please be the one

I've thought I wasted all those prayers  
Till I looked up and you were there  
Oh in your eyes  
I see there's hope for me

I need your love  
To finish off  
What others have begun  
Deliver me  
Please be the one

Be the one who makes me see  
Be wonderful a reason  
Be the one who rescues me  
With a love I can believe in

Let it be true  
That you can do  
What no one else has done  
Deliver me  
Please be the one

Oh deliver me  
Please be the one
