

What If It's You
Album:What If It's You
Reba McEntire

I've got something to tell you that I just can't say
So I'm writing it down in case maybe someday
Our lives take a turn down a road
We can't see right now
I know you're happy and I'm happy for you
But since you found each other
I've been so confused
Cause I believe there's one soul on this earth
That was meant for mine
I was sent here to find

What if it's you
What if our hearts were meant to be one
What'll I do
Knowing that I'll never love anyone
As much as I do love you
What if it's true
What if it's you

If destiny called and I missed my cue
Do I get one more chance
Oh how I wish I knew
I'll never again put my heart in the hands of fate
If it's not too late

What if it's you
What if our hearts were meant to be one
What'll I do
Knowing that I'll never love anyone
As much as I do love you
What if it's true
What if it's you

If I ever hold you I'll never let go
But if I never do how will I know

What if it's you
What if our hearts were meant to be one
What'll I do
Knowing that I'll never love anyone
As much as I do love you
What if it's true
What if it's you

What'll I do
What if it's true
What if it's you
