

When You Love Someone Like That (LeAnn Rimes)

Album:Reba Duets

Reba McEntire

Verse 1:

LeAnn

I think it was me, it must of been me,

I guess I did something wrong.

I tried too hard, wanted too much,

I guess that's why he's gone.

I lost my pride, I fought and cried.

I felt like a little kid.

What's wrong with me?

I still can't believe, I did the things I did.

~Bridge One~

I couldn't change him, he was gonna break my heart.

I saw it coming, yeah, I knew it from the start. But,

Chorus:

When you love (when you love)

When you love someone like that, when you give what you can't take back.

When you love (when you love)

With all your heart and soul, it's so hard to let it go.

When you love someone like that.

Yea, when you love someone like that.

Verse 2:

Reba

Girl it ain't right, it just ain't right.

Don't tell yourself that it was you.

You followed your heart, you gave it your best.

There's nothing more you can do.

Guys like him are like the wind, and you know it's just too bad.

They blow in and out again, and never know what they had.

~Bridge 2~

Girl, I can tell you, he'll do the same to someone else.

It ain't about you, so don't be so hard on yourself. 'Cause,

Chorus:

When you love (when you love)

When you love someone like that, when you give what you can't take back.

When you love (when you love)

With all your heart and soul, it's so hard to let it go.

When you love someone like that.(when you love someone like that)

Ohh, when you love someone like that.

~Bridge 3~

Reba: Oh we've all loved and lost, it's happened to us all.

LeAnn: I hear what you're sayin' but I feel like the only one.

Reba: You might feel that but you're not.

You're alright (I'm alright) you're okay (I'm okay)

You're (I'm) gonna make it anyway.

When you love someone like that. (when you love someone like that)

When you love (when you love)

With all your heart and soul, it's so hard to let it go.

When you love (when you love)

when you love someone like that (when you love someone like that), when you give what you can't take back.

When you love (when you love)

with all your heart and soul, it's so hard to let it go.

Reba: When you love someone like that.

LeAnn: When you love someone like that.

Reba: When you love someone like that.

LeAnn: When you love someone like that.

You're alright (I'm alright), You're okay (I'm okay)

When you love someone like that (when you love)
