

O Let Me In Thes Ae Night

O Lassie, are ye sleepin yet,  
Or are ye waukin, I wad wit?  
For Love has bound me hand an' fit,  
And I would fain be in, jo.

Chorus-O let me in this ae night,  
This ae, ae, ae night;  
O let me in this ae night,  
I'll no come back again, jo!

O hear'st thou not the wind an' weet?  
Nae star blinks thro' the driving sleet;  
Tak pity on my weary feet,  
And shield me frae the rain, jo.  
O let me in, &c.

The bitter blast that round me blaws,  
Unheeded howls, unheeded fa's;  
The cauldness o' thy heart's the cause  
Of a' my care and pine, jo.  
O let me in, &c.
