Act Naturally chords
The Beatles

C                           F
They're gonna put me in the movies,
C                                    G
they're gonna make a big star out of me,
C                                            F
We'll make a film about a man that's sad and lonely
G                                  C
and all I gotta do is - act naturally.

G           G7         C
Well, I'll bet you I'm gonna be a big star,
G                          C
might win an Oscar you can never tell,
G                      C
the movies gonna make me a big star,
D7                     G   G7
'cause I can play the part so well.

C                               F
Well I hope you come and see me in the movies,
C                                 G
then I know that you will plainly see.
C                              F
The biggest fool that ever hit the big time,
G                                  C
and all I gotta do is act naturally.

C                                         F
We'll make the scene about a man that's sad and lonely
C                           G
and beggin down upon his bended knee
C                                F
