

Already Gone chords  
The Eagles

G D  
C G

Well, I heard some people talkin just the other day

And they said you were gonna put me on a shelf

But let me tell you I got some news for you

And youll soon find out its true

And then youll have to eat your lunch all by yourself

cause Im already gone

And Im feelin strong

I will sing this victry song, woo, hoo,hoo,woo,hoo,hoo

The letter that you wrote me made me stop and wonder why

But I guess you felt like you had to set things right

Just remember this, my girl, when you look up in the sky

You can see the stars and still not see the light (thats right)

And Im already gone

And Im feelin strong

I will sing this victry song, woo, hoo,hoo,woo,hoo,hoo

Well I know it wasnt you who held me down

Heaven knows it wasnt you who set me free

So often times it happens that we live our lives in chains

And we never even know we have the key

But Im already gone

And Im feelin strong

I will sing this victry song

cause Im already gone

Yes Im already gone

And Im feelin strong

I will sing this victry song

cause Im already gone

Yes, Im already gone
