

Blood Brothers chords  
Bruce Springsteen

D Dsus4

D Dsus4 D Dsus4 D Dsus4  
We played king of the mountain out on the end  
The world come charging up the hill, and we were women and men  
Now theres so much that time, time and memory fade away  
We got our own roads to ride and chances we gotta take  
We stood side by side each one fighting for the other  
We said until we died wed always be blood brothers  
D Dsus4 D Dsus4 D Dsus4  
Now the hardness of this world slowly grinds your dreams away  
Making a fools joke out of the promises we make  
Dsus4 D Dsus4 D  
And what once seemed black and white turns to so many shades of gray  
We lose ourselves in work to, work to do and bills to pay  
And its a ride, ride, ride, and there aint much cover  
With no running by your side my blood brother  
D Dsus4 D Bm A D Dsus4 2x  
On through the houses of the dead past those fallen in their tracks  
Always moving ahead and never looking back  
D D Dsus4 D Dsus4  
Now I dont know how I feel, I dont know how I feel tonight  
If Ive fallen beneath the wheel, if Ive lost or Ive gained sight  
D D Dsus4 D Dsus4  
I dont even know why, I dont know why I made this call  
Or if any of this matters, anymore after all  
But the stars are burning bright like some mystery uncovered  
Dsus4 D  
Ill keep moving through the dark with you in my heart my blood brother  
D Dsus4 D Bm A D Dsus4 2x G D Dsus4 Bm A D Dsus4
