From now on

Extra verses:

I was blue, just as blue as I could be
Ev'ry day was a cloudy day for me
Then good luck came a-knocking at my door
Skies were gray but they're not gray anymore

I should care if the wind blows east or west

I should fret if the worst looks like the best

I should mind if they say it can't be true

I should smile, that's exactly what I do
