

Cant Keep It In chords
Cat Stevens

A E D E

Oh I cant keep it in, I cant keep it in, Ive gotta let it out.
Ive got to show the world, worlds got to see, see all the love
love thats in me. I said, why walk alone, why worry when its
warm over here. Youve got so much to say, say what you mean,
mean what youre thinking, and think anything.

Oh why, why must you waste youre life away,
Youve got to live for today, then let it go
Oh, lover, I want to spend this time with you,
Theres nothing I wouldnt do, if you let me know.

And I cant keep it in, I cant hide it and I cant lock it away.
Im up for your love, love heats my blood,
Blood spins my head, and my head falls in love, oh.
No, I cant keep it in, I cant keep it in, Ive gotta let it out.
Ive gotta show the world, worlds got to know,
Know of the love, love that lies low, so
why cant you say, if you know, then why cant you say.
Youve got too much deceit, deceit kills the light,
light needs to shine, I said shine light , shine light.

Love, thats no way to live your life,
You allow too much to go by, and that wont do.
No, lover, I want to have you here by my side
Now dont you run, dont you hide, while Im with you.
