Dr. Hook and The Medicine Show

D G D Dsus4

D  
Second Street and Broadway,  
G  
sitting in a door way;  
D Dsus4 D  
head held in his hands  
E E7 A  
Looked to all the world like he was praying

D  
Foot wrapped in an old rag,  
G  
bottle in a brown bag;  
D Dsus4 D  
I saw him try to stand  
E E7 A  
Then I heard the words that he was saying, yeah

D G D  
He said come on Carrie, carry me a little farther  
A  
Come on Carrie, carry me one more mile  
D  
I don't know where it's leading to,  
G E  
but I know I can make it if I lean on you  
D G  
So come on Carrie, carry me a little  
D G  
I carried you, now carry me a little  
D G D  
Come on Carrie, carry me a little while

D  
Well, he struggled to his feet,  
G  
and staggered down the street;  
D Dsus4 D  
to the window of the five-and-dime  
E E7 A  
He stood and laughed a while at his reflection

D  
And then I heard him shoutin',  
G  
something about a mountain;  
D E E7 A  
he could surely climb, if she was only there to point the right direction  
But she ain't no, no she ain't no

D G D  
He said come on Carrie, carry me a little farther  
A  
Come on Carrie, carry me one more mile  
D  
I don't know where it's leading to,  
G E  
but I know I can make it if I lean on you  
D G  
So come on Carrie, carry me a little  
D G

I carried you, now carry me a little

D G D  
Come on Carrie, carry me a little while, yeah
