

Don't Wait Too Long
Words & Music by Sonny Skylar
Recorded by Frank Sinatra, 1965

D F#m Bm Bm7/E
You are the summer and I am the autumn --

Em7 Em7/9 Em7 A7
Don't wait too long;

Em7 A7 G/B Cdim A7 Em7
Your song's beginning, while mine's nearly sung --

G Edim A7 D DM7
Don't wait too long.

Bridge:

G Cdim Em Edim
Fall is a lovely time of the year,

A7 D6 Em7 Gdim D9
When leaves turn to gold and brown;

Bm F#7 Bm7 B7
But soon fall is ending, winter is near,

G G/F# Em7 Em6 A7
And the leaves start tum - blin' down.

D F#m Bm Bm7/E
Why must the moments go by in such haste?

Em7 Em7/9 Em7 A7
Don't wait too long.

Em7 A7 G/B Cdim A7 Em7
Winter is coming I've no time to waste --

G Edim A7 D DM7 D7
Don't wait too long.

G G/F# Em7 Em6
So while my heart's gay and foolish and free,

D F#m B7
And still can sing it's song,

Em B+ G Em6 A7
Share ev'ry precious moment with me -

Edim A7 D6
Don't wait too long.
