I had a job, I had a girl
I had something going mister in this world
I got laid off down at the lumber yard
Our love went bad, times got hard
Now I work down at the carwash
Where all it ever does is rain
Dont you feel like youre a rider on a down bound train

She just said Joe I gotta go
We had it once we aint got it any more
She packed her bags left me behind
She bought a ticket on the central line
Nights as I sleep, I hear that whistle whining
I feel her kiss in the misty rain
And I feel like Im a rider on a down bound train

Em G D 2x

Last night I heard your voice
You were crying, crying, you were so alone
You said your love had never died
You were waiting for me at home
Put on my jacket, I ran through the woods
I ran till I thought my chest would explode
There in the clearing, beyond the highway
In the moonlight, our wedding house shone
I rushed through the yard, I burst through the front door
My head pounding hard, up the stairs I climbed
The room was dark, our bed was empty
Then I heard that long whistle whine
And I dropped to my knees, hung my head and cried

Now I swing a sledge hammer on a road gang

Knocking down them cross ties, working in the rain

Now dont it feel like youre a rider on a down bound train
