

Fool Number One

Words & Music by Kathryn R. Fulton

Recorded by Brenda Lee, 1961

Am I fool number one, or am I fool number two?

How many other hearts have been fooled by you?

I suppose that the number is far from being small,

And I'll bet that I'm the biggest fool of all.

Bridge:

If I had the chance, I guess I'd do it all again,

I'd go down that same old road, even knowing at the end

You'll leave me when your heart hears a new love call;

So I guess that I'm the biggest fool of all.

Am I fool number one, or am I fool number two?

How many other hearts have been fooled by you?

I suppose that the number is far from being small,

And I'll bet that I'm the biggest fool of all.
