

Fridays Child chords  
Them 1967 (Van Morrison)

Dsus4 D 4x

From the North  
to the South,  
you walked all the way.  
You know you left your,  
left your home  
for good to stay,  
while you built all,  
all of your castles  
in the sun,  
and I watched you knock em down,  
knock em down, each and every one.

Whoa-oh, Friday's child  
you can't stop now.

No.  
Whoa-oh, Friday's child  
you can't stop now.

And I watched you  
fore you came too old  
and I told you  
a long time before you ever came to be told,  
You've got something  
that they all wanna know.  
You gotta hold on  
and never ever let go.

Whoa-oh, Friday's child  
you can't stop now.

No.  
Whoa-oh, Friday's child  
you can't stop now.
