

Full Measure chords

Lovin Spoonful (John Sebastian / Joe Butler)

G C G 2x

The full measure of your giving,

You don't yet understand.

A cup full of living

That you hold in your hand.

The full weight of your loving

Makes me lighter than air

The tax I'm receiving,

Now I know that it never was there.

It started off just sticking around

With that wonderful feeling from you

Now there's finally someone telling me

I can really give too.

I know you know the feeling

That getting something for nothing is wrong.

Getting love is so easy

Giving love takes so long.

It started off just sticking around

With that wonderful feeling from you

Now there's finally someone telling me

I can really give too.

G C G 2x

I heard them say it at Christmas.

Now I can say it too.

The feeling of giving,

It's as good as I'm getting from you.

It's as good as I'm getting from you.

It's as good as I'm getting from you.. . .
