

# Half-Way Down the Street

Words & Music by Kim Gannon & Guy Wood

Recorded by Tommy Dorsey Orchestra, 1940, Frank Sinatra vocal

Em7 A7 D F#7  
Just a halfway down the street

G G/F# Em7 Edim D B7 Em7 A7  
Is where we used to meet to do our dreaming.

D F#7  
It was just a vacant lot,

G G/F# Em7 Edim D B7 Em7 A7 G  
But what a lovely spot when stars were gleaming.

G/F# Em7 A7 G  
There wasn't too much room there,

Edim D6 D  
And roses weren't in bloom there,

Bm F#7 Bm Cdim G G/F# Em7 Edim A  
But it still was mighty sweet just half - way down the street.

Em7 D F#7  
By a sign that said For Sale,

G G/F# Em7 Edim D B7 Em7 A7  
We wove a fairy tale but kept it quiet.

D A7  
We were dreaming of the day

D9 A7 D7 D7/9 G  
We could step right up and say, "We'll buy it."

G6 G/B E7/9 E7  
Just by way of showing you that fairy tales come true,

D6 F#m B7  
We'll show you one that's all complete.

A7 D F#m Bm  
If you'll visit us someday

Bm7/E G G/F# Em7/9 A6/7/9 D  
In our cottage halfway down the street.
