

# House Of Cards chords

Robert Plant Band Of Joy (Richard Thompson 1978)

G C D

Oh, the rain is falling  
And the wild wind roars  
It'll shake your windows  
And rattle your doors

Oh, blow down this house of cards  
Blow down this house of cards

They're washing the streets  
(Blow, blow down)

With the blood of your kind  
(Blow, blow down)

Ah look over your shoulder  
(Blow, blow down)

They are right behind  
(Blow, blow down)

Oh, blow down this house of cards  
Blow down this house of cards

Break

C G D 2x

The birds are wheeling  
Up above your head  
Ah your days are numbered  
You're as good as dead  
This very fine house

Of great renown  
It's cracked and shaking  
And a-tumbling down . . .

Oh, blow down this house of cards

Blow down this house of cards

C                    G                    D

Blow down this house of cards

C                    G                    D

Oh, blow down this house of cards

C                    G                    D                    G

Blow down this house of cards . . .oh oh oh . . .
