

I Am Woman chords  
Helen Reddy \*

G C Bm Em C G C D

          G                          C  
I am woman, hear me roar,  
      Bm                          Em  
in numbers too big to ignore;  
      C                          G                          C D  
and I know too much to go back and pretend  
          G                          C  
'Cause I've heard it all before,  
          Bm                          Em  
and I've been down there on the floor;  
      C                          G                          D          C/D  
no one's ever gonna keep me down again

      F  
Oh, yes I am wise;  
          Bb                          F  
but it's wisdom born of pain  
F  
Yes, I've paid the price;  
      Bb                          Am  
but look how much I gained  
      F                          Bb                          Am  
If I have to, I can do anything  
      Gm  
I am strong, (strong)  
      F  
I am invincible, (invincible)  
      Bb G  
I am woman

          G                          C  
You can bend but never break me,  
      Bm                          Em  
'Cause it only serves to make me;  
      C                          G                          C D  
more determined to achieve my final goal  
      G                          C  
And I come back even stronger,  
      Bm                          Em  
not a novice any longer;  
          C                          G                          D          C/D  
'Cause you've deepened the conviction in my soul

      F  
Oh, yes I am wise;  
          Bb                          F  
but it's wisdom born of pain  
F  
Yes, I've paid the price;  
      Bb                          Am  
but look how much I gained  
          F                          Bb                          Am  
If I have to, I can do anything  
      Gm  
I am strong, (strong)  
      F  
I am invincible, (invincible)  
      Bb G  
I am woman

I am woman watch me grow,  
see me standing toe to toe;  
as I spread my lovin' arms across the land  
But I'm still an embryo,  
with a long long way to go;  
until I make my brother understand

Oh, yes I am wise;  
but it's wisdom born of pain  
Yes, I've paid the price;  
but look how much I gained  
If I have to, I can do anything  
I am strong, (strong)  
I am invincible, (invincible)  
I am woman  
I am strong, (strong)  
I am invincible, (invincible)  
I am woman
