

I Cant See Nobody chords  
The Bee Gees

Em

Em            D  
I walk the lonely streets  
A                    E  
I watch the people passing by  
Em            D  
I used to smile and say hello  
A                    E  
Yes, I was just a happy guy

Em            D  
Then you happened, girl  
A                    E  
This feeling that possesses me  
Em            D  
I just can't move myself  
A                    E  
I guess it all just had to be

A            D            E  
I can't see nobody  
A                    D            E  
No, I can't see nobody  
A                    D            E            A  
My eyes can only look at you  
E  
You

Em            D  
I used to have a brain  
A                    E  
I used to think of many things  
Em            D  
I watched the falling rain  
A                    E  
And listened to the sweet bird sing

Em            D  
Don't ask me why, little girl  
A                    E  
I love you and that's all I can say  
Em            D  
You're every, every breath that I take  
A                    E  
You are my nights, my night and day

A            D            E  
I can't see nobody  
A                    D            E  
No, I can't see nobody

A            D            E            A  
My eyes can only look at you  
E  
You

Em            D  
Every single word you hear, girl  
A                    E  
Is coming from this heart of mine  
Em            D

I've never felt like this before  
A E  
A love like yours, so young and fine

Em D  
And now as I try to forget you  
A E  
It doesn't work out anyway  
Em D  
I loved you such a long time ago  
A E  
Though in my eyes you'll always stay  
Em D  
Every single word you hear  
A E  
Is coming from this heart of mine  
Em D  
I loved you such a long time ago  
A E  
Don't know why, girl I don't know why  
(Baby, such a long time  
Baby, such a long time  
Baby, such a long time)

A D E  
I can't see nobody  
A D E  
No, I can't see nobody  
A D E A E  
My eyes can only look at you 3x
