

I Want You chords
Bob Dylan *

F Am Dm C

F
The guilty undertaker sighs,
Am
the lonesome organ grinder cries,
Dm C
the silver saxophones say I should refuse you.
Bb
The cracked bells and washed-out horns,
C
blow into my face with scorn,
Dm C
but it's not that way, I wasn't born to lose you.

F Am
I want you, I want you,
Dm C
I want you so bad
F Dm F Dm F
Honey, I want you.

F
The drunken politician leaps,
Am
upon the street where mothers weep,
Dm
and the saviors who are fast asleep,
C
they wait for you.
Bb
And I wait for them to interrupt,
C
me drinking from that broken cup,
Dm C
and ask me to open up the gate for you.

F Am
I want you, I want you,
Dm C
I want you so bad
F Dm F Dm F
Honey, I want you.

Am
Now all my fathers, they've gone down,
Dm
true love they've been without it.
Am
But all their daughters put me down,
Bb C
because I don't think about it.

F
Well, I return to the Queen of Spades,
Am
and talk with my chambermaid.
Dm C
She knows that I'm not afraid to look at her
Bb
She is good to me,
C
and there's nothing she doesn't see.

She knows where I'd like to be, but it doesn't matter. C

I want you, I want you,
yes, I want you so bad
Honey, I want you.

Now your dancing child with his Chinese suit,
he spoke to me, I took his flute.
No, I wasn't very cute to him, was I?
But I did it, though, because he lied,
because he took you for a ride,
and because time was on his side and because I

I want you, I want you,
I want you so bad
Honey, I want you.
