In The Ghetto chords
Elvis Presley 1969 (Mac Davis)

Capo I
A Asus4 A
A          A Asus4 A
As the snow flies
A

On a cold and gray Chicago mornin'
D                E
A poor little baby child is born
A
In the ghetto

And his mama cries
A
Cause if there's one thing that she don't need
D             E
It's another hungry mouth to feed
A     A Asus4 A
In the ghetto

E
People, don't you understand
D       A
The child needs a helping hand
D                E       A
Or he'll grow to be an angry young man some day
E
Take a look at you and me,
D       A
Are we too blind to see,
D             A
Do we simply turn our heads
D                E
And look the other way?
A     A Asus4 A
Well the world turns

A
And a hungry little boy with a runny nose
D            E
Plays in the street as the cold wind blows
A
In the ghetto

And his hunger burns
A
So he starts to roam the streets at night
D
And he learns how to steal
E
And he learns how to fight
A     A Asus4 A
In the ghetto

E
Then one night in desperation
D       A
A young man breaks away
D       A
He buys a gun, steals a car,
D                E
Tries to run, but he don't get far
And his mama cries

As a crowd gathers 'round an angry young man
Face down on the street with a gun in his hand
In the ghetto
As her young man dies

On a cold and gray Chicago mornin',
Another little baby child is born
In the ghetto
And his mama cries

A Asus4 A . . . .
