

In Your Time chords
Bob Seger *

D C G

G C D
In your time

The innocence will fall away

G C D
In your time

The mission bells will toll

Em D C
All a long

The corridors and river beds

G C D
There'll be signs

D C G
In your time

G C D
Towering waves

Will crash across your southern capes

G C D
Massive storms

Will reach your eastern shores

Em D C
Fields of green

Will tumble through your summer days

G C D
By de sign

D C G
In your time

G D Em
Feel the wind

And set yourself the bolder course

G D Em
Keep your heart

G C
As open as a shrine

G D
You'll sail the perfect line

G C D
And after all

The dead ends and the lessons learned

G C D
After all

The stars have turned to stone

Em D C
There'll be peace

Across the great unbroken void

A C D
All benign

D C G
In your time

G C D

You'll be fine

C G

In your time
