Getting soaking wet,

Torturing my heart

By trying to forget.

A A9 A AM7 D G D
Just walking in the rain,

So alone and blue,

All because my heart

Still remembers you.

Bridge:

G G/F# Em7
People come to their windows,

D G A7 D C#7
They always stare at me,

Bm F#7 Bm Bm7/E
Shaking their heads in sorrow

G G/F# Em7 G/B A7
Saying, Who can that fool be?

A A9 A AM7 D G D
Just walking in the rain,

D9 Em7 D G D
Thinking how we met,

A Cdim A Em7 A
Knowing things have changed -

A7 Edim D G D
Somehow I can't forget.
