E A E  
I think I'm goin' to Katmandu  
Thats really really where I'm goin' to  
if I ever get out of here  
That what I'm gonna do  
E7 A  
K-k-k-k-k-k-katmandu  
I think it's really where I'm goin' to  
if I ever get out of here  
I'm goin' to Katmandu  
A  
I got no kick against the West Coast  
Warner Brothers are such good hosts  
I raise my whiskey glass, and give 'em a toast  
I'm sure they know it's true  
A  
I got no rap against southern states  
Every time I been there it's been great  
But now I'm leaving and I can't be late  
And to myself be true  
A  
Thats why I'm goin' to Katmandu  
Up to the mountains where I'm goin' to  
Hey, if I ever get out of here  
That what I'm gonna do  
E7 A  
K-k-k-k-k-k-katmandu  
it's really, really where I'm goin' to  
if I ever get out of here  
I'm goin' to Katmandu  
A  
I got no quarrel with the Midwest  
The folks out there have given me their best  
I've lived there all my life, I've been their guest  
I sure have loved it, too

A

I'm tired of looking at the TV news  
I'm tired of driving hard and payin' dues  
I figure, baby, I got nothin' to lose  
I'm tired of being blue

That's why I'm goin' to Katmandu  
Up to the mountains where I'm goin' to  
Hey, if I ever get out of here  
That what I'm gonna do

K-k-k-k-k-katmandu  
Take me baby, cause I'm going with you  
if I ever get out of here  
I'm goin' to Katmandu

break

I ain't got nothin' 'gainst the East Coast  
You want some people, well they got the most  
New York City's like a friendly old ghost  
You seem to pass right through

I know I'm gonna miss the USA  
I guess I'll miss it every single day  
But no one loves me here any way  
I know my plane is due

The one that's goin' to Katmandu  
Up to the mountains where I'm goin' to  
Hey, if I ever get out of here

That what I'm gonna do

K-k-k-k-k-katmandu  
really, really goin' to  
if I ever get out of here  
if I ever get out of here  
if I ever get out of here  
I'm goin' to Katmandu
