

Let Me Down Easy chords
Chris Isaak

Capo II

D G D A7

Here she comes . .

At first you smile, then turn away
I've been thinking of what I should say
All last night I stayed up dreaming

I look at you, I'm just a guy
I know my place but still I'll try
You must be tired of people asking,
But I'm still asking

Oh please let me down easy
Please, just let me down easy

Don't you hear my heart is calling
You don't know how hard I've fallen for you

D G D A7

Another day, you're passing by
Today's the day I'm gonna try
You don't know how much I'm hoping, how I'm hoping

Oh please let me down easy
Please, just let me down easy

Can't you hear my heart is calling
You don't know how hard I've fallen for you

D G D A7

If you told me to follow you know I'd fly to you,
Here I go, I may fall but I will try

Oh please let me down easy
Please, just let me down easy
Please, just let me down easy

D G D G A
Please, just let me down easy

G D G
Just let me down easy
