

Let Your Love Flow chords  
Bellamy Brothers \*

Capo I

D G 2x

          D  
There's a reason, for the sunshine in the sky  
And there's a reason why I'm feeling so high  
          A  
Must be the season, when that love light shines,  
          D          D G  
all around us.

          D  
So let that feeling, grab you deep inside  
And send you reeling, where your love can't hide  
          A  
And then go stealing, through the moonlit nights,  
          D          D7  
with your lover.

          G  
Just let your love flow, like a mountain stream  
          D  
And let your love grow, with the smallest of dreams  
          A  
And let your love show, and you'll know what I mean,  
          D          D7  
it's the season.

          G  
Let your love fly like a bird on wing,  
          D  
and let your love bind you to all living things  
          A  
And let your love shine, and you'll know what I mean,  
          D          Dsus4  
that's the reason.

          D  
There's a reason, for the warm sweet nights  
And there's a reason, for the candle lights  
          A  
Must be the season, when those love lights shine,  
          D          D G  
all around us.

          D  
So let that wonder, take into space  
And lay you under, its loving embrace  
          A  
Just feel the thunder, as it warms your face,  
          D          D7  
you can't hold back.

          G  
Just let your love flow, like a mountain stream  
          D  
And let your love grow, with the smallest of dreams  
          A  
And let your love show, and you'll know what I mean,

D D7  
it's the season.

G  
Let your love fly like a bird on wing,  
D  
and let your love bind you to all living things  
A  
And let your love shine, and you'll know what I mean,  
D Dsus4  
that's the reason.

G  
Just let your love flow, like a mountain stream  
D  
And let your love grow, with the smallest of dreams  
A  
And let your love show, and you'll know what I mean,  
D D7  
it's the season.

G  
Let your love fly like a bird on wing,  
D  
and let your love bind you to all living things
