

Nancy (With the Laughing Face)

Words & Music by Phil Silvers & Jimmy Van Heusen

Recorded by Frank Sinatra, 1944

Cdim Em7 A9  
If I don't see her each day, I miss her;

D C#m Fm  
Gee what a thrill each time I kiss her.

Em C#m7-5 F#7 Bm Bm7 E7 Em7 A7  
Believe me, I've got a case on Nancy with the laughing face.

Cdim Em7 A9  
She takes the winter and makes it summer;

D C#m Fm  
Summer could take some lessons from her.

Em C#m7-5 F#7 Bm Gm D F7  
Picture a tomboy in lace that's Nancy with the laughing face.

Bridge 1:

C#m Bm+7  
Do you ever hear mission bells ringing?

Bm7 E9 E7-5  
Well, she'll give you the very same glow;

Gm D Em7 A7  
When she speaks you would think it was singing;

Bm Bm7 E7 Em7 A7  
Just hear her say, "Hello."

Cdim Em7 A9  
I swear to goodness, you can't resist her;

D C#m Fm  
Sorry for you, she has no sister.

Em C#m7-5 F#7 Bm Gm D F7  
No one could ever replace my Nancy with the laughing face.

Bridge 2:

C#m Bm+7  
What a wonderful treat to come home to,

Bm7 E9 E7-5  
When the long day has drawn to a close;

Gm D Em7 A7  
There's the patter of feet to come home to,

Bm Bm7 E7 Em7 A7  
And Nan - cy gave me those.

Cdim Em7 A9  
Keep Betty Grable, Lamour and Turner;

D                    C#m            Fm  
She makes my heart a charcoal burner.  
Em                   C#m7-5 F#7 Bm                    Gdim            D            G6    D6  
No one could ever replace my Nancy with the laughing face.
