

Silence Is Golden chords  
The Tremeloes \*

E            A            E            A  
Oh, don't it hurt deep inside  
E            B7            E            B7  
To see someone do something to her  
E            A            E            A  
Oh, don't it pain to see someone cry  
E            B7            E  
Oh, especially when someone is her

E            G#m            F#m            B7            E  
Silence is golden, but my eyes still see  
E            G#m            C#m  
Silence is golden, golden  
F#m            B7            E  
But my eyes still see

E            A            E            A  
Talking is cheap, people follow like sheep  
E            B7            E            B7  
Even though there is nowhere to go  
E            A            E            A  
How could she tell, he deceived her so well  
E            B7            E  
Pity, she'll be the last one to know

E            G#m            F#m            B7            E  
Silence is golden, but my eyes still see  
E            G#m            C#m  
Silence is golden, golden  
F#m            B7            E  
But my eyes still see

E            A            E            A  
How many times will she fall for his line?  
E            B7            E            B7  
Should I tell her or should I keep cool?  
E            A            E            A  
And if I tried, I know she'd say I lied  
E            B7            E  
Mind your business, don't hurt her, you fool

E            G#m            F#m            B7            E  
Silence is golden, but my eyes still see  
E            G#m            C#m  
Silence is golden, golden  
F#m            B7            E  
But my eyes still see

F#m            B7            E  
But my eyes still see
