

## Sunrise, Sunset

Words & Music by Sheldon Harnick & Jerry Bock  
From the musical "Fiddler on the Roof", 1964  
Performed by Topol in the movie of the same name

Em                    B7                    Em  
Is this the little girl I carried?

Em                    B7                    Em            E7  
Is this the little boy at play?

Am                    E7                    Am  
I don't remember growing older --

F#    F#7    B7  
When did they?

Em                    B7                    Em  
When did she get to be a beauty?

Em                    B7                    Em            E7  
When did he grow to be so tall?

Am                    E7                    Am    F#7    B7  
Wasn't it yesterday when they were small?

### Refrain:

Em    Am6    Em    B7    Em    Am6    Em    B7  
Sun-rise,    sun-set,    sun-rise,    sun-set,

Em            Am6    Em    Am6    Em    E7  
Swiftly            flow the days;

Am7                    D7                    GM7    G6  
Seedlings turn overnight to sun-flow'rs,

F#m7            B7                    Em7  
Blossoming even as we gaze.

Em    Am6    Em    B7    Em    Am6    Em    B7  
Sun-rise,    sun-set,    sun-rise,    sun-set,

Em    Am6    Em    Am6    Em    E7  
Swiftly            fly the years;

Am7                    D7                    GM7    G6  
One season following anothe-r,

Am6            B7            B+            Em  
Laden with hap-pi-ness...and tears.

Now is the little boy a bridegroom,  
Now is the little girl a bride;  
Under the canopy I see them, side by side.  
Place the gold ring upon her finger,  
Drink the sweet wine and break the glass --  
Soon the full circle will have come to pass.

### Repeat Refrain:
