

Sway chords
The Rolling Stones (Jagger/Richards)

Capo I *

A E A B A

E B A
Did you ever wake up to find,
E B A
a day that broke up your mind
E B A
Destroyed your notion of circular time

B A
It's just that demon life has got you in its sway
B A
It's just that demon life has got you in its sway

E B A
Ain't flinging tears out on the dusty ground;
E B A
for all my friends out on the burial ground
E B A
Can't stand the feeling getting so brought down

B A
It's just that demon life has got me in its sway
B A
It's just that demon life has got me in its sway

A E A B A
There must be ways to find out
A E A B A B A
Love is the way they say is real, starting out

solo

B A 4x

A E A B A

E B A
Hey, hey, hey now

E B A
One day I woke up to find,
E B A
right in the bed next to mine
E B A
Someone that broke me up with the corner of her smile, yeah

B A
It's just that demon life has got me in its sway
B A
It's just that demon life has got me in its sway

B A
It's just that demon life has got me in its sway
B A
It's just that demon life has got me in its sway
B A
It's just that demon life has got me...

solo

B A 8x
