

That's Life

Words & Music by Dean Kay & Kelly Gordon

Recorded by Frank Sinatra, 1966

(D7) G B7
That's life - that's what all the people say;

Em7 A7
You're ridin' high in April, shot down in May.

G CM7 Bm7-5 Em7
But I know I'm gonna change that tune

A9 Am7 D9 D+
When I'm back on top in June.

G B7
That's life - funny as it seems,

Em7 A7
Some people get their kicks steppin' on a dream;

G F#m7 F7 Em
But I don't let it get me down,

A9 D9 G
'Cause this old world keeps goin' round.

Bridge:

G7
I've been a puppet a pauper, a pirate, a poet,

A pawn and a king,

C6
I've been up and down and over and out

And I've learned one thing:

A7
Each time I find myself flat on my face,

D7 D9 D+
I pick myself up and get back in the race.

G B7
That's life - I can't deny it,

Em7 A7
I thought of quittin', but my heart just won't buy it.

G G/F# Bm7-5 E
If I didn't think it was worth a try

A-9 A7 D+ D7 G G/F# Em Edim D7
I'd roll myself up in a big ball and die.

(Last Time)

A-9 A A7 D+ D7 G Am7 alt Gdim A7 G6
I'd roll myself up in a big ball and die.
