Sun down, sun down,
C G C G
they're taking all the tents down

C G C G
Sun down, sun down,
C G C G
the carnival trains leaving town
C G
Where are you now darling Billy?

D C D
We won't be dancing together on the high wire,
C D C
facing the lions with you at my side anymore
D C D
We won't be breathing the smoke and the fire,
C/G C/G C/G C/G D
on a midway

D
Hanging from the trapeze,
C D
my wrists waiting for your wrists
C D
Two daredevils high upon the wall of death
C D
You throwing the knife, it lands inches from my heart
C/G C/G C/G C/G
Sun down

C

G D C G
the light that was in your eyes is gone away

Daybreak, daybreak,
G D C G
the thing in you that made me ache is gonna stay

We'll be riding the train without you tonight
C G
The train that keeps on moving,

C G
its black smoke scorching the evening sky

D C D
Millions of stars shining above us like every soul living and dead
It's been gathered together by God,
C D
sing a hymn over your bones

C G C G
Sun down, sun down,
C G C G
Empty are the fairgrounds
C G
Where are you now handsome Billy?
