

Theme For An Imaginary Western chords
Mountain *

When the wagons leave the city
For the forest and further on
Painted wagon of the morning
Dusty roads where theyve gone
Sometimes travelin through the darkness
At the summer comin home
Fallen faces by the wayside
Look as if they might have known

Oh the sun was in their eyes
And the desert was dry
In a country towns
Where their laughter sounds

Oh the dancing and the singing
Oh the music when they played
Oh the fire that they saw there
On the grave of no return
Sometimes they found it
Sometimes they kept it
Often lost in on the way
Pawnee shadow to possess him
Sometimes ride inside of day

Oh the sun was in their eyes
And the desert was dry
In a country towns
Where their laughter sounds
