

To The Ends Of The Earth
Words & Music by Noel Sherman & Joe Sherman
Recorded by Nat King Cole, 1956

A7 E D E D E D E D
To the ends of the earth I'll follow my star

A G A G A G A G
To the ends of the earth just to be where you are.

A7 DM7 D6 C#m7-5 C#7 F#m F#m+7 B9
No matter where you roam, I'll never be far behind;

B7 Em B+
Who cares where the path may wind,

Em7 F#m7 B7
As long as I find you?

A7 E D E D E D E D
Though the melody dies the song lingers on,

A G A G A G A G
And a thousand good-byes won't convince me you're gone.

A7 DM7 D6 C#m7-5 C#7 F#m F#m+7 B9
I'll follow you, my love, you'll never be free;

Cdim Em A7 Em7 A7 A7+5 D
To the ends of the earth, til you've given your love to me.
